

INTERPRETATION TRAINING FOR HEALTH & HUMAN SERVICES

Instructor:

Orlando Gonzalez has received degrees in philosophy, social studies, science and health as well as a master's in education. He is also a graduate of Berkana Center for Translation and Interpretation Studies. He has worked as a school principal, paramedic, diversity trainer and adjunct facility instructor.

Presently he is president of **AccuLingua Communications & Consulting Services** and serves as adjunct faculty for Emory University School of Medicine, University of South Carolina – Upstate and Greenville Technical College.

Orlando is a dynamic speaker that uses humor and pathos to bring home his innovative strategies for improving communication between medical providers and the Latino consumer.

Location:

Buck Mickel Center
216 S. Pleasantburg Dr.
Greenville, SC 29607

Room: 171

Cost: \$389 per level
(text included)

This course will enable you to provide linguistically and culturally appropriate interpretation skills to provide effective translation services in a variety of settings including the medical, behavioral health and social services fields.

***Please note: You must be fluent in English and Spanish**
